

PORTLAND DRIVING DIRECTIONS

FRIENDS AND FAMILY, IF YOU'RE A FIRST-TIME VISITOR TO PORTLAND, YOU NEED TO KNOW that Portland is divided into 4 quadrants: NE, NW, SE and SW. (There is also North Portland, AKA: The 5th Quadrant, but that's another story.) The quadrants are roughly divided by the Willamette River and Burnside Street. Numbered streets get bigger as you move away from the river. Public Transportation is amazing in Portland. There is really no need to rent a car to get around in Portland, especially if you want the real Portland experience (bring your bike!). Radio Cab's number is 503-227-1212 for those destinations off the beaten track. Go to Trimet.org for info on light rail, bus and street car, which run on a roughly 10-minute schedule, 5 am - midnight or 1 am. You can take light rail straight from the airport, just look for the Max Light Rail signs. Visit www.trimet.org for lines and schedules.
